### blend information

97% Bukettraube, 3% Pinotage

### food suggestions

Strawberries and cream with a fresh glass of semi-sweet Zantsi Africa Rosé.

### in the vineyard

Terroir: Decomposed granite in the area surrounding Darling Hills. Hot summers moderated by the cool Atlantic

Vineyard type: Bush Vine, no irrigation

The recent demarcation of the Darling district has led to a focus at Darling Cellars on wines which are terroir and varietal specific. The cool and temperate West Coast climate lends itself to a different micro- and mesoclimate which, along with the different types of soil, lead to unique grapes, which we guide into even more unique wines. Having 99% of all vineyards dry land and almost the same percentage as bush vine, this is as close to what nature intended for grapes to be as one can get.

### Zantsi Africa Natural Sweet

A contemporary new style with ravishing low-alcohol appeal. Zantsi is the Xhosa name for the word "South" and symbolizes the rebirth of a proud and prosperous Rainbow Nation.
