tasting notes

A soft, fruity wine with delicate ripe plum flavours both on the nose and palate. With the subtle use of oak, this wine has a wonderfully appealing balance between fruit and wood.

blend information

100% Merlot

in the vineyard

Terroir: Decomposed granite, with deep red top soils. A low yield from dry land and bush vine

Vineyard type: Bush Vine, dry land

The recent demarcation of the Darling district has led to a focus at Darling Cellars on wines which are terroir and varietal specific. The cool and temperate West Coast climate lends itself to a different micro- and mesoclimate which, along with the different types of soil, lead to unique grapes, which we guide into even more unique wines. Having 99% of all vineyards dry land and almost the same percentage as bush vine, this is as close to what nature intended for grapes to be as one can get.

DC is a wine range of straight varietals where the focus is on fruit driven, varietal true, value for money wines.
