

Onyx Kroon 1999

vintage 1999

analysis alc: 14.04 | ph: 3.83 | rs: 2.3 | ta: 5.8

producer Darling Cellars

winemaker Abe Beukes

wine of Groenekloof/Darling

tasting notes

91 points by Steve Tanzer (International Wine Cellar - USA) Matured in 300 liter French and American (10%) oak barrels for 15 months. A very attractive spicy nose with aromas of coffee and mocha accompanied by a full-bodied and well-balanced palate. Delicate dark berry fruit slides over the palate with finesse and opulence.

ageing potential

Mature for 10 to 12 years.
