tasting notes

This Brut Rosé has a salmon pink colour with an elegant nose. The nose shows a fruity bouquet of red berries, guava, watermelon, pomegranate and candy floss. The palate has a fresh acidity that results in a clean dry finish.

Balling at Harvest: 18° B

in the cellar

Never a fast process, developing our Methodé Cap Classique was no exception to the rule. The Grenache grapes were harvested at optimal ripeness for a MCC, a little higher in acidity and not overripe to preserve the natural acidity and have a low alcohol. Secondary fermentation leads to the buildup of pressure and infusion of bubbles into the wine, making this a stunning, naturally bottle fermented, matured on lees MCC.

Vinification: Crush and destalk, 14 days fermentation and secondary fermentation in the bottle

Maturation: Kept on the lees for 16 months for a fuller mouth feel, complexity and stable bubbles
