vintage 2003

analysis alc: 12.22 | ph: 3.07 | rs: 1.7 | ta: 8.1

type White

producer Darling Cellars

winemaker Abe Beukes

wine of Coastal

tasting notes

Typical goosberry and grassy flavours on the nose followed by wonderfully rich and generous fruit on the palate of exquisite balance.

ageing potential

3-5 years.

blend information

100% Sauvignon Blanc

in the vineyard

Bush vines "no irrigation" Yield: 7/8 tons per hectare Terroir: Deep soils from decomposed granite. Climate: Vineyards strategically planted to capture cool breezes from the Atlantic Ocean and Benguela current.

in the cellar

Typical tropical flavours on the nose with passion fruit and guava dominating. These flavours together with hints of grassiness are carried through generously to the palate with a zesty long aftertaste.
