wine of Western Cape

body Medium

tasting notes

The wine opens up to an expressive bouquet of mulberries, white pepper, and hints of lavender and rosemary. Aromatic complexity builds with subtle herbal undertones. On the palate, layers of juicy red and vibrant blue fruits are supported by a gentle thread of pepper and coriander spice. The wine is well balanced, with a supple texture and refined tannins that carry through to a clean, fruit-pure finish. A wine crafted for immediate enjoyment, yet one that will continue to evolve gracefully over the next year or two.

ageing potential

It is a wine made to enjoy and savour now, but can be kept for a year or two in bottle.

blend information

98% Shiraz, 2% Cabernet Sauvignon

in the vineyard

The 2021 Organic Shiraz Cabernet Sauvignon is made up of a blend of 98% Shiraz and 2% Cabernet Sauvignon. Grapes are sourced from the best organic vineyards across the Western Cape, a third of which comes directly from the estate.

in the cellar

The grapes are sorted, destemmed and wild, spontaneous fermentation takes place in a combination of concrete tanks and open-top stainless-steel fermenters. 12% of the wine spends 12 months in well-seasoned oak barrels, after which the assemblage is made up and bottled.
